

REVIEW AFTER THE MATCH

1

Give the players some time to be on their own as a group – emotions can run high on match day.

Recap the key messages that you communicated to your team before and during the game.

2

3

Give your players the chance to **discuss** how they dealt with the **challenges** that were set. They can do this individually, in pairs or as a team.

Repeat your praise of any positive behaviour that has helped to achieve the learning objective.

4

5

Link the day's learning to what you'll cover in your next training session.
