Part J: Non-Football Activities

There may be occasions when your child is involved in planned and structured non-football activities such as a trip to the cinema, bowling or participating in a fund-raising event. Somersall Rangers Football Club will have collected appropriate information in preparation for the activity (e.g. about the journey, the children's various needs and helper skills), identified any potential risks or dangers, minimised the risks and dangers by careful planning and precautions and made sure we know who is responsible for putting precautions into place (e.g. who will carry the First Aid kit). Part O: FAN

FA Numbers (FAN) are issued whenever you are involved in grassroots football. This could be through completing an FA course, being involved with a club or even purchasing England tickets.

Any parent or carer has to be linked to their child and needs to be set up on the Whole Game System (WGS) which is administered by the Football Association to ensure they can play in Grassroots Football.

Parents/Carers can set this up and link their child to enable Somersall Rangers to register their child.
